

Cancer Task Force- Community Health Improvement Plan Goal 2.2 Update on Activities 1.19.17

CHIP (long term) Objectives:

2.2.1: By **June 30, 2019**, increase the number of individuals receiving low-dose lung CT screenings by 5%, in order to increase awareness for lung cancer prevention.

Baseline: 160 persons screened from Calendar Year 2016
Source: Union Hospital Lung Health Program

Short Term Objectives:

By June 30, 2017, 2 activities completed to advertise and promote the low-dose lung CT screening program in the community.

By June 30, 2017, 2 healthcare providers will establish procedures to identify active clients who meet eligibility for lung cancer screenings.

By June 30, 2017, develop one communication tool for healthcare providers to use with clients eligible for lung cancer screenings.

WorkPlan					Community Updates
Tasks	Person Responsible	Action Taken	Benchmark Date	Date Completed	
October - December					
Present the CHIP 2017-19	MER	Cancer Task Force meeting. Power point presented and sent out to all members	10.16	10.16	
Present Priority 2 Chronic Disease Respiratory & Lung disease Goal 2.2 Objective 2.2.1 & 2.2.2 and Strategies	MER				
Brain Storming Structured Activities: Group 1 will brainstorm activities to advertise and promote the low-dose lung CT screening program with providers and patients, and at community sites. Group 2 will brainstorm activities to educate adults about community-based and state-based smoking cessation and prevention with providers and patients and at community sites. After 10 minutes groups will switch					
Summarize activities into survey Send survey to rank activities to: Cancer Task Force Tobacco Task Force Cancer Committee, Union Hospital	MER	Survey sent to Rank Activites	11.16	12.16	In FY18, increase participation of Cancer Committee, Union Hospital.
December - February					
Present results of survey. Review Results (>20% response) Quality Improvement tools completed were the Control & Influence Matrix and Nominal Group Technique (Voting)	MER	Cancer Task Force meeting. Power point presented and sent out to all members	12.16	12.16	
Results: Health Fairs (e.g. Cecil College) 37 EMR/HER Referral- flagging system to control to communication with the patient about referral 30 Social Media with a target message 28		Three areas identified to form subcommittees to work on establishing workplans			
Three committees formed: 1. Health Fairs committee: Tammy Rapposelli, Joan Realdine, Beth Money, Jen Murray, Maura Tunney, Mary Ellen Rapposelli and Tracy Potter 2. EMR/EHR Referral- flagging system committee: Jen Murray, Jean Marie Kelly, Mary Ellen Rapposelli, Dr. Heather Curry, Allison Gil and Raimie Rhoda 3. Social Media with a target message: Jean Marie Kelly, PIA (CCHD) and Sheelagh Stewart Committees to meet in January 2017 to formulate Short term Objectives and work plans for June 2017.					

<p>Health Fair Committee: meeting to generate up a proposal for the Healthy Lifestyle Expo to consider for a presentation</p>		<p>Ideas generated for content of presentation. Also possible presentors, format of presentation and titles. Will send out ideas to subcommittee members for them to review and add ideas. The final list will be then sent for member to rank importance. Subcommittee wanted to develop a short video about lung cancer screening services. Results of the ranking will be presented at next Cancer Task Force. on February 1, 2017.</p>	<p>1.6.17 2pm CCHD Auditorium</p>		<p>Subcommittee to submit a request to present to Tammy Rapposelli for her to take to the Healthy Lifestyle Expo Planning Committee</p>
<p>EMR/EHR Referral- flagging system committee</p>		<p>Discussion on the strengths and limitations of the EMR and patient portals. Jean Marie to investigate use of ipads as screening tools and will report update at February 1st meeting. Subcommittee wanted to assist with the video development identified in the Health Fair subcommittee. Allison to make contacts of video resources in Delaware and Jean-Maire to contact Cecil College. Jen and Raimie to explore ability of their sites to generate list of clients who meet eligibility criteria and report February 1st meeting. Mary Ellen and Allison to draft a letter that could be sent to those clients identified as a patient prompt for lung cancer screening. Draft to be sent to Jen and Raimie.</p>	<p>1.12.17 10am CCHD M115</p>		<p>1/4/17 Dr. Curry offered her conference room for the next EMR/EHR Referral - flagging system committee meeting in the new Radiation Oncology Center. Cmte was happy to meet are center. Rboin will contact Dr. Curry.</p>
<p>Social Media with a target message</p>		<p>Discussed about resources for video. Jean-Maire to check with Union Hospital's PIO and this subcommittee will work with Health Fair subcommittee on this activity. Drafted a short message about lung cancer screenings devised from UH pamphlet to be used as "one message" for lung cancer screening on various social media outlets. Mary Ellen to forward to Kathy McKinney and Beth Money for approval to present at February's meeting. Jean-Marie to explore 4 community organizations for possible presentations to report February meeting. Brainstormed on additional members for subcommittee and persons identified will be contacted.</p>	<p>1.11.17 10am CCHD M115</p>
