

Behavioral Health Provider List

The attached referral and resource list is composed primarily of mental health and substance abuse outpatient providers located in Cecil County. Inpatient services for mental health and substance abuse treatment located in Cecil County are scarce; therefore, out of county locations have been included.

This document may be found at
www.cecilcountyhealth.org,
under Addiction Services tab and Mental Health tab.

This list may not be all inclusive, for resources related to mental health or substance abuse. If you would like further information, please contact us at the following numbers:
