## **Cecil County COVID-19 Weekly Reports**

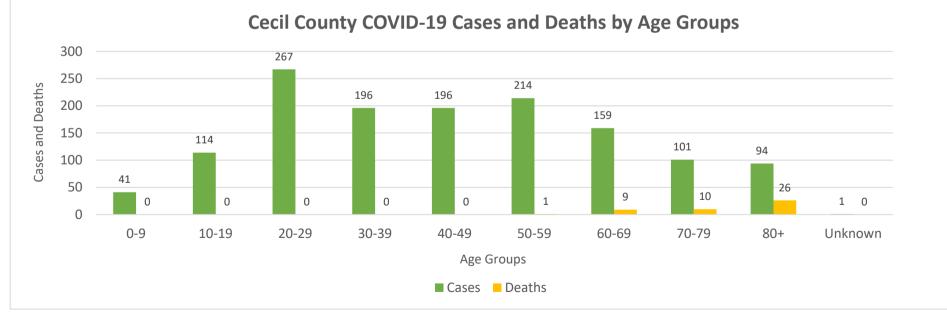

Number of Confirmed Cases	1,383
Number of Confirmed Deaths	46
Released from Isolation	1,087

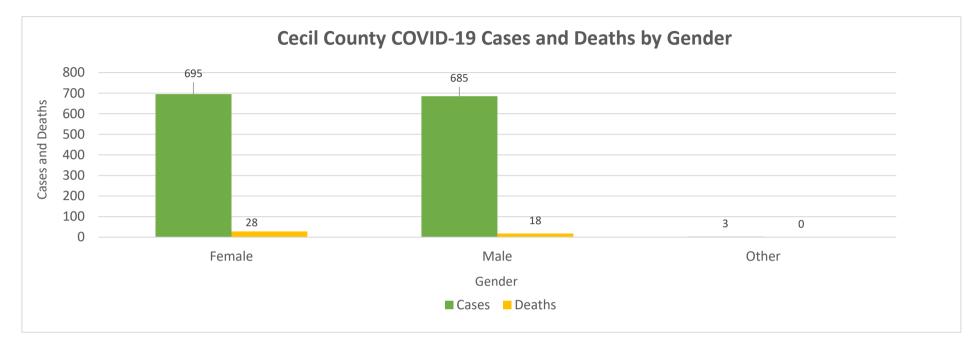

Updated:

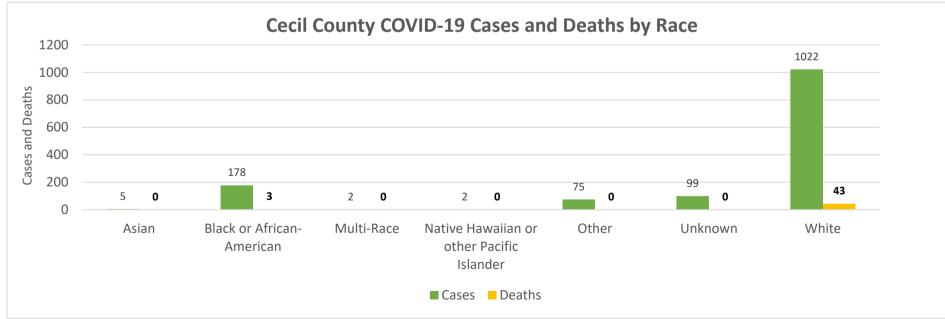

October 28, 2020

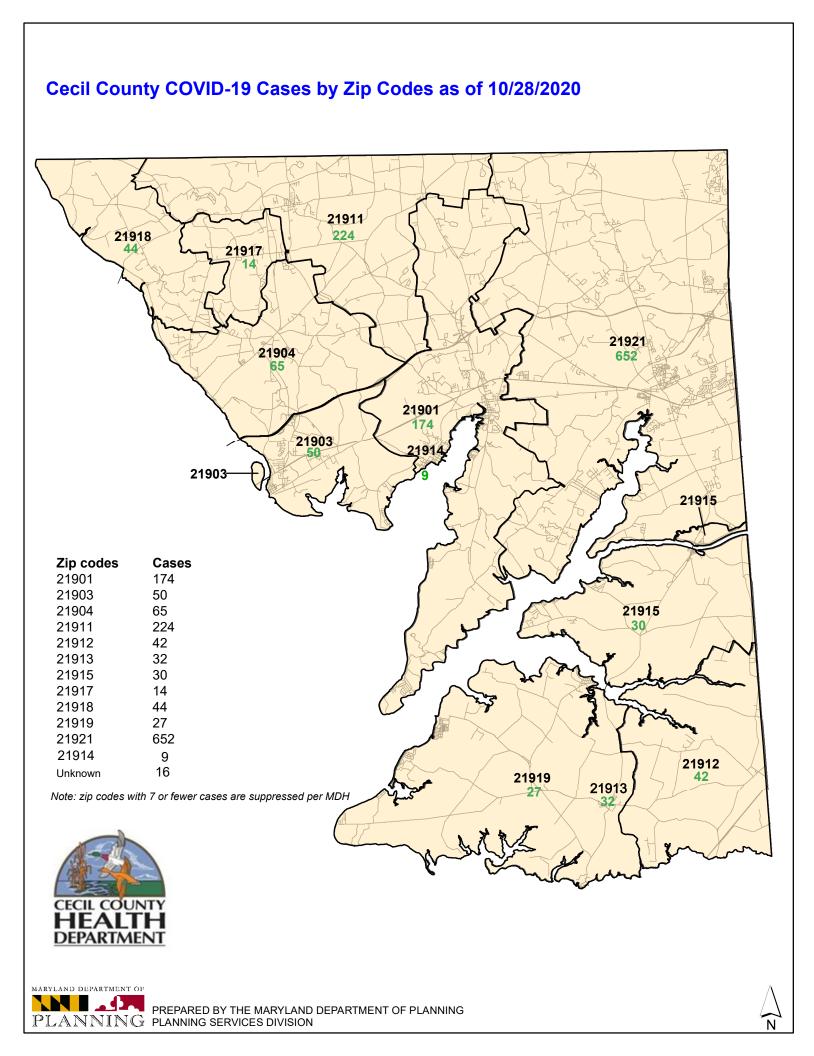

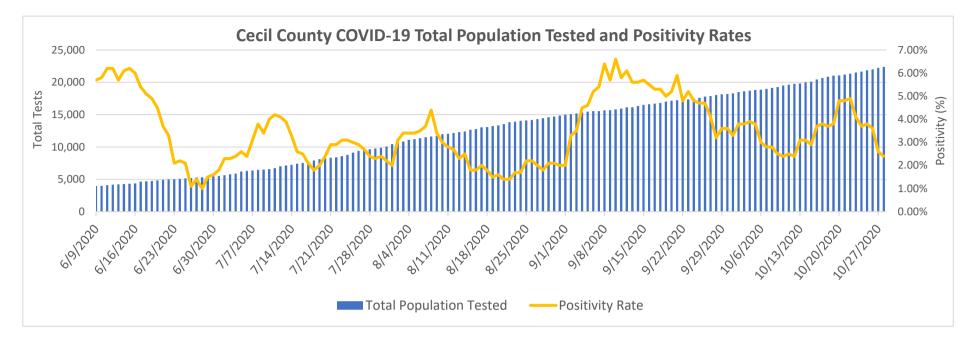

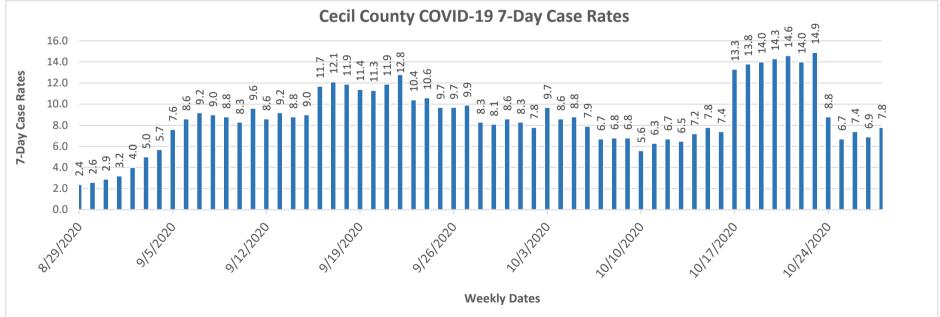

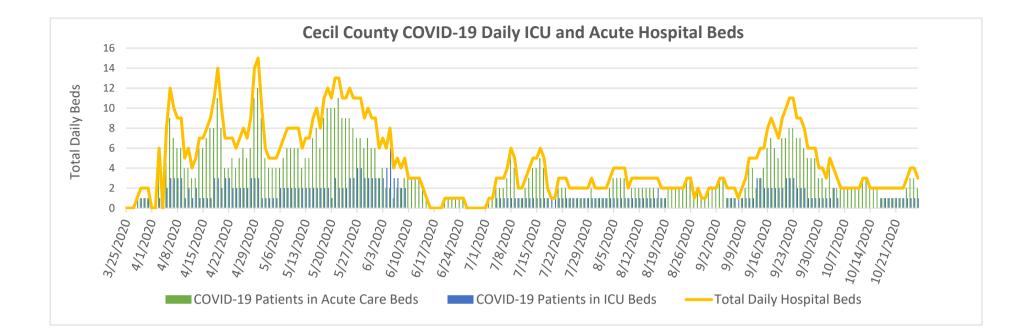

## Data sources:

Cecil County Health Department COVID-19 Tracking Systems (CCHDC19TS) Maryland Department of Health (MDH) Maryland Department of Planning Services (MDPS) Chesapeake Regional Information Systems for our Patients (CRISP) CRISP-Maryland Institute for Emergency Medical Services Systems (MIEMSS)

## Notes: Data in these charts show:

Confirmed cases by positive test result and result date on the daily basis since March 21, 2020; Deaths by the last activity date with a last status of close-deceased from COVID-19; Total daily beds as sums of daily ICU and acute beds for Union Hospital-Cecil County only; self-reported hospital data to MIEMSS reflect point in time counts; Zip codes with ≤ 7 cases will be suppressed according to MDH.

From ELRs received: 10/19/2020-10/25/2020

Total is summary of all tests/labs - not just the high volume labs.

Turn around time is the difference in reported date of collection and date reported to public health. Note that this includes time specimens that are held at a collecting location and transit time to the lab. Therefore, it is not solely a marker of capacity and response at a lab.
