GOAL ONE: Increase access to mental/behavioral health treatment services in Cecil County

GOAL TWO: Increase the Number of Mental Health Providers in the County

Drug and Alcohol Abuse Council

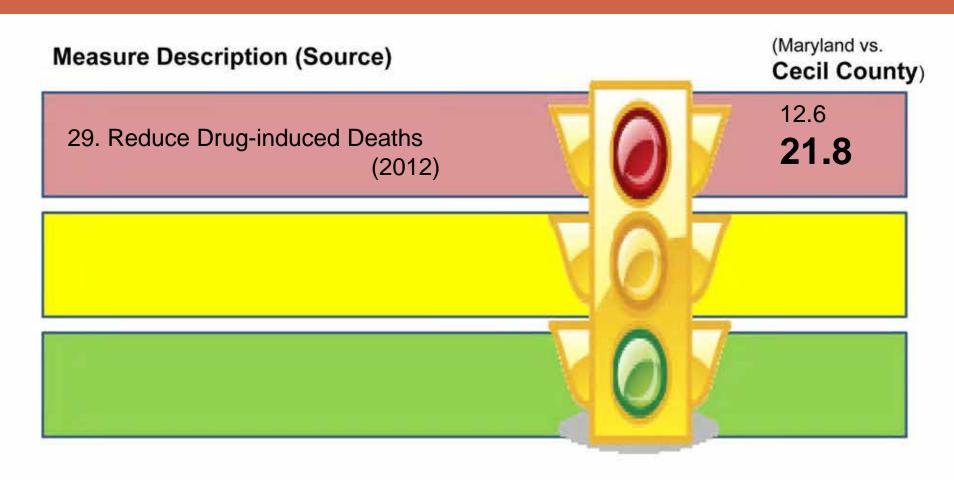

2014 SHIP Objectives

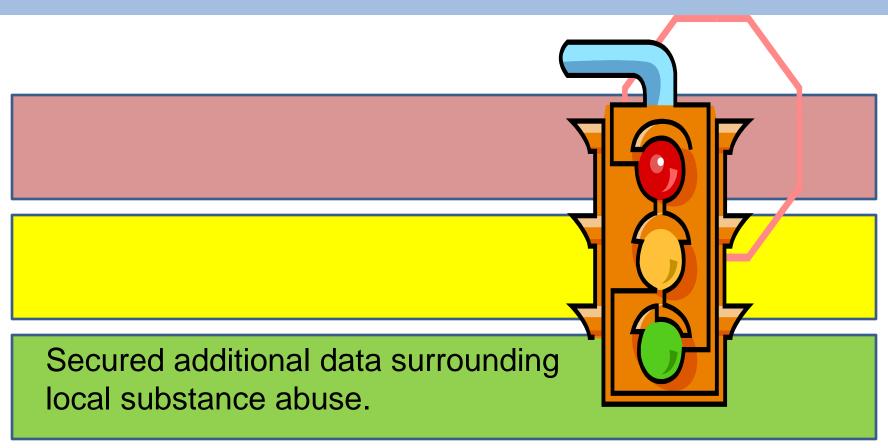

2014 SHIP Objectives

PRIORITY #3 SUBSTANCE ABUSE PREVENTION

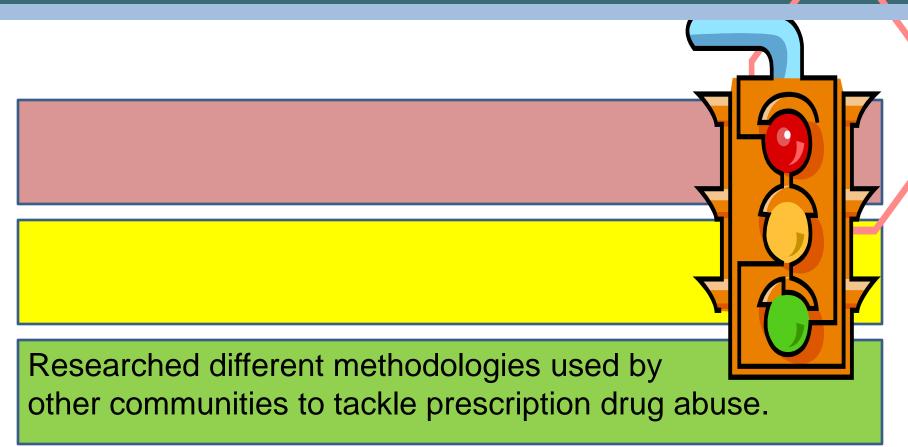

OBJECTIVE Improve research & data analysis related to local communities & the prevalence of substance abuse

- (Health Resources in Action)
- The consultant utilized data-driven needs assessment and analysis to identify key contributing factors of substance abuse in Cecil County and recommend solutions.
- Summary report expected in July 2013.

PRIORITY #1: SUBSTANCE ABUSE — PRESCRIPTION DRUGS AND PAIN MANAGEMENT

OBJECTIVE

Increase & enhance research & data analysis on prescription drug abuse and its applications

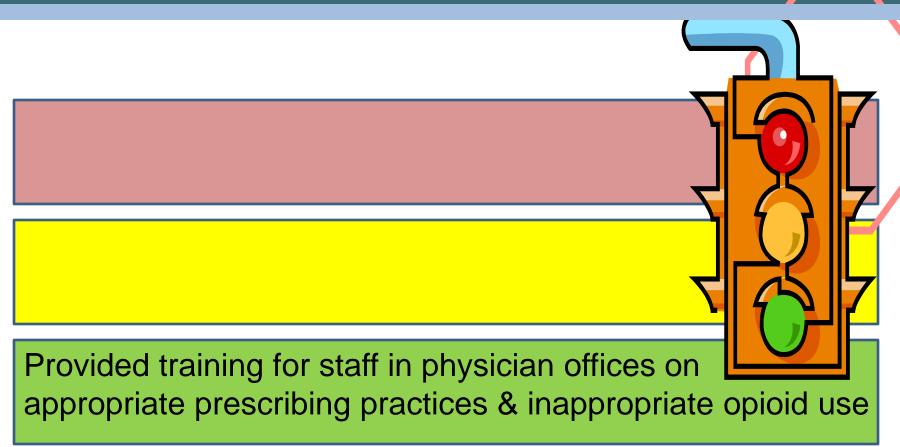

OBJECTIVE

Increase & enhance research & data analysis on prescription drug abuse and its applications

- LDACC hosted presentations respectively by a Delaware Public Health Program Administrator on "Delaware efforts to Reduce Addiction, and Doctor Shopping," by a Deputy Attorney General from the Delaware Department of Justice on "Delaware Prescription Drug Diversion."
- Successful prescription drug take back events
- New programs developed in partnership with the Cecil County Public Library, included events at North East Branch Library with the North East Police

OBJECTIVE

Increase education for health professionals and community members on the effects of prescription drug abuse in Cecil County.

- Progress toward education for health professionals on prescription drug abuse in Cecil County was evidenced.
- During the summer of 2012, DHMH Deputy Secretary for Public Health Services and the DHMH Chief Medical Officer delivered a detailed presentation on "Prescription Overdose" to Union Hospital medical staff.
- A subsequent presentation entitled "Risk Evaluation and Mitigation Strategies for Prescribing Opiods in Patients with Chronic Pain" was also facilitated by a local pain management specialist for the Union Hospital medical staff.
